

# Create your own decoration for Eid!

**Make it festive and bright, then hang it up and celebrate!**

**Step 1:** Cut out the three shapes below along the dotted lines – these will be your stencils!

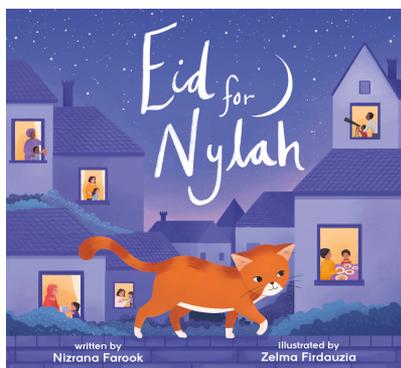

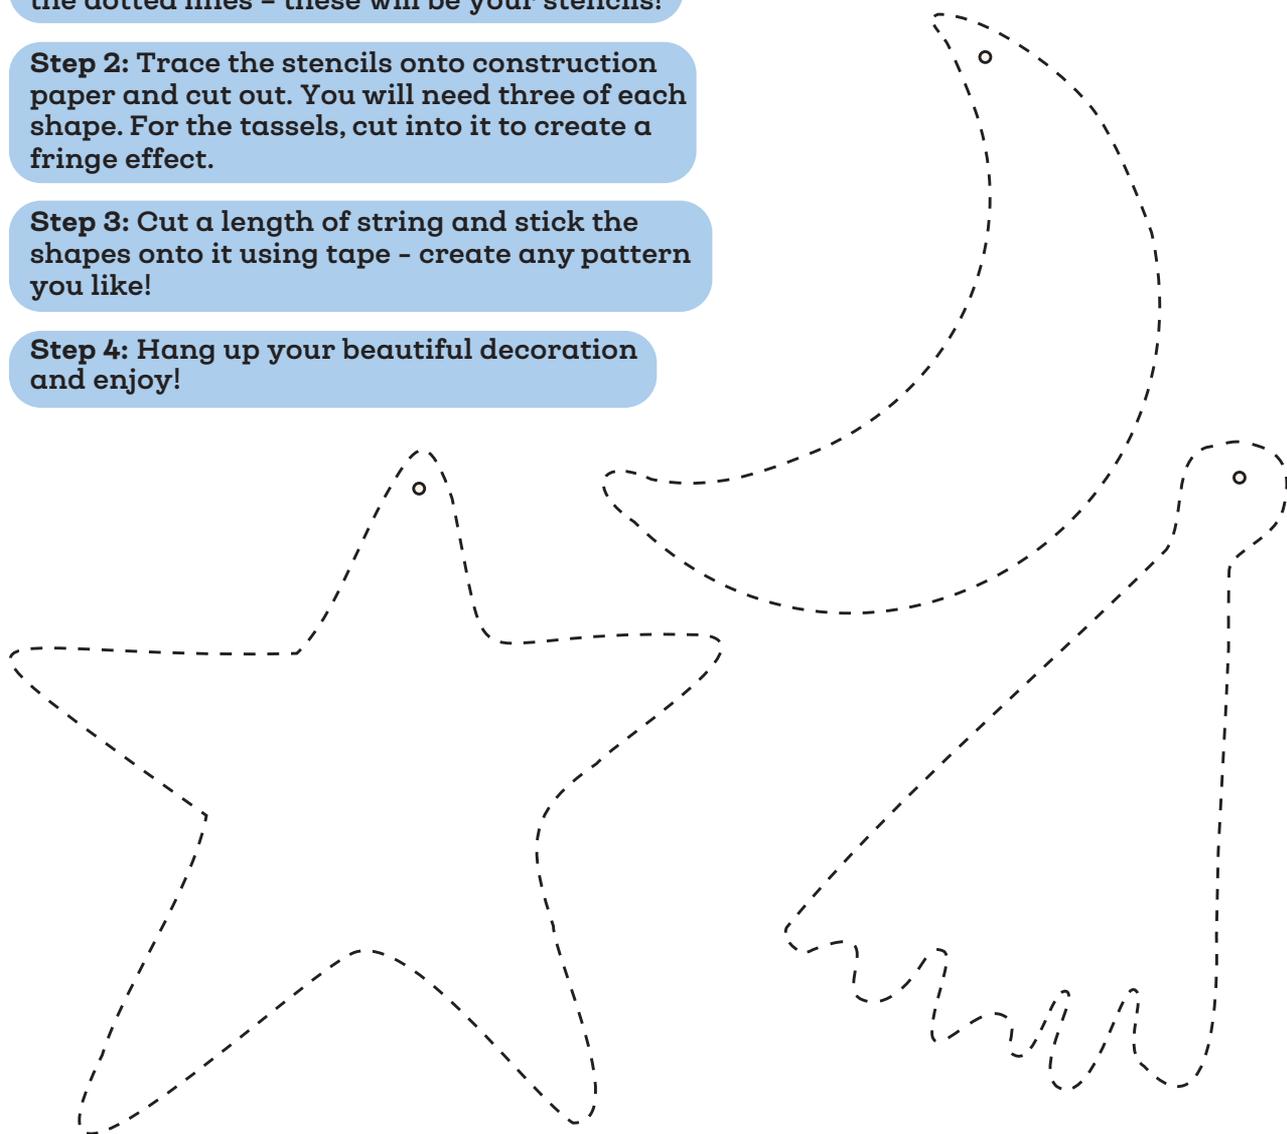

**Step 2:** Trace the stencils onto construction paper and cut out. You will need three of each shape. For the tassels, cut into it to create a fringe effect.

**Step 3:** Cut a length of string and stick the shapes onto it using tape – create any pattern you like!

**Step 4:** Hang up your beautiful decoration and enjoy!

For this craft, you will need:

- Scissors
- Tape
- Construction paper
- Ribbon/string
