

SNAP!

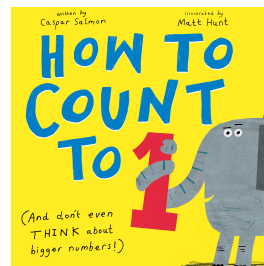

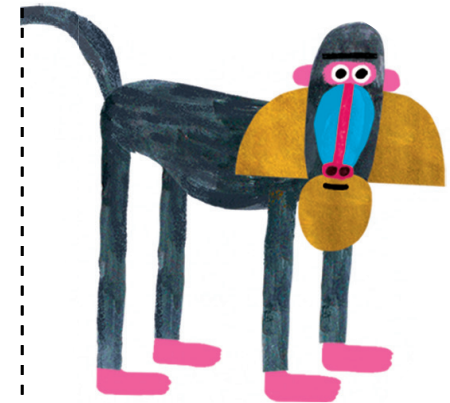

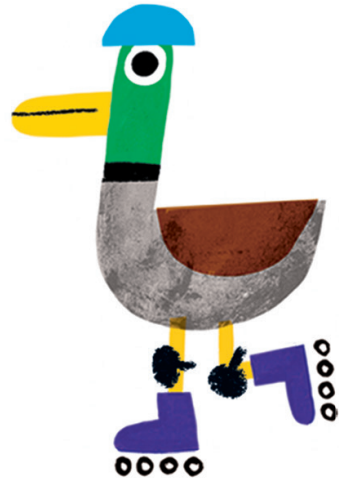

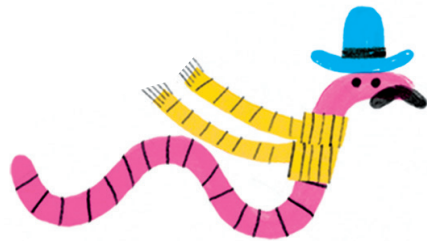

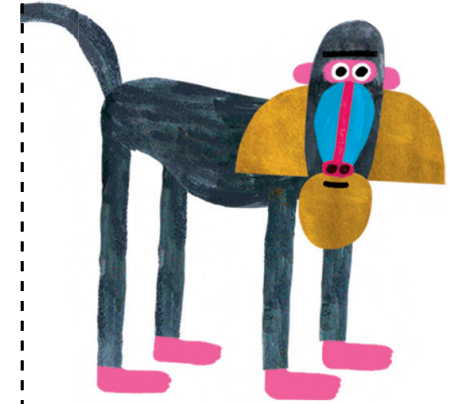

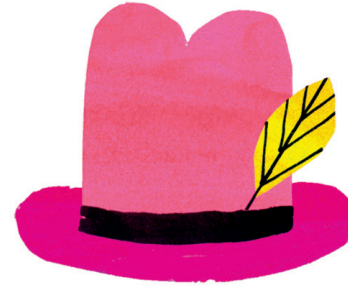

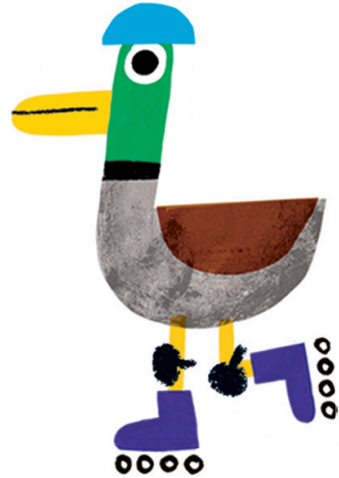

Do you want to
play a game?
GREAT!
Here's how to play:

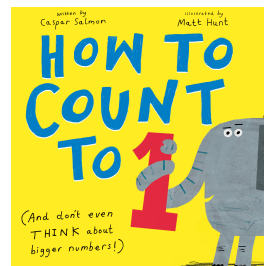

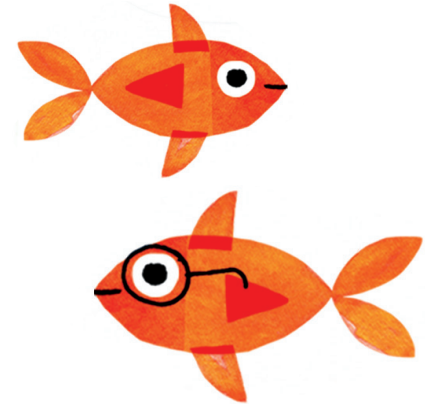

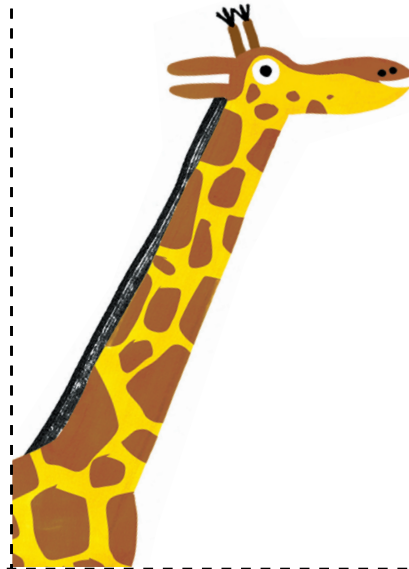

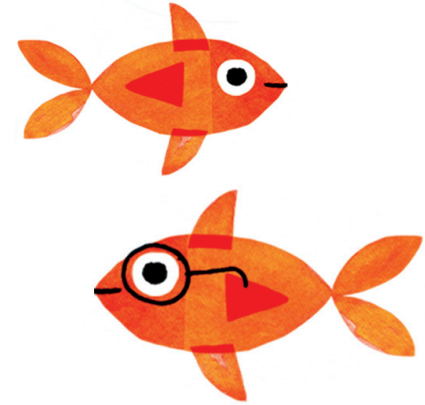

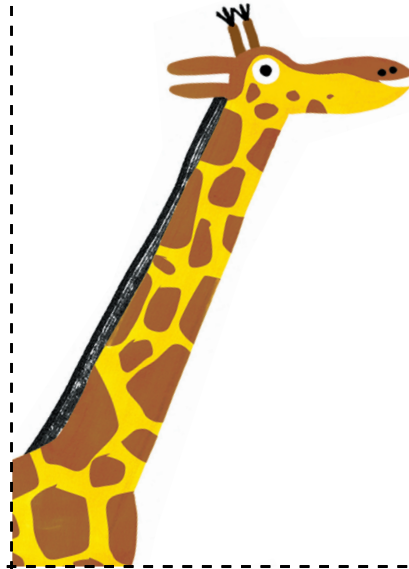

2 - 4 players

- Carefully cut out the cards – can you count how many there are?
- Shuffle the cards and deal them out face down - no peeking!
- Take it in turns to turn over the top card from your pile and put it face up in the middle. Will it be a trophy, a giraffe or perhaps a baboon?!
- When two cards in a row match, the player who calls 'Snap!' first wins the pile in the middle and adds it to their own face-down pile.
- The player to win all the cards wins the game.
